Refund Authorisation and Escalation Matrix

Refund Authorisation Matrix

1. Agent Auto-Approval: Support agents are authorised to approve refunds up to ■2,000 without requiring additional approval.
2. Team Lead Approval: Refund amounts between ■2,001 and ■10,000 require approval from a Team Lead.
3. Operations Manager Approval: Refund amounts between ■10,001 and ■50,000 require approval from an Operations Manager.
4. Finance Approval: Refund amounts above ■50,000 require approval from the Finance department.
5. Automated System Limitation: The automated refund system may not auto-approve refunds above ■2,000, regardless of customer tier or sentiment.
6. Goodwill Credits: Goodwill credits may be issued up to a maximum of ■1,500 per order, and are subject to a separate approval process.
7. Goodwill Credit Stacking: Goodwill credits may not be stacked with a full refund on the same order. If a customer is eligible for a full refund, no goodwill credit may be issued.
8. Exceptions: The following customers are exempt from the goodwill credit cap: Platinum Tier customers, who may receive up to ■3,000 in goodwill credits per order, and customers who have been identified as high-value customers by the Customer Success team, who may receive up to ■2,500 in goodwill credits per order.
9. Approval Deadlines: All refund approvals must be completed within 3 business days of the initial refund request. Refund requests that require Finance approval must be escalated to the Finance department within 2 business days.
10. Audit and Review: The Refund Authorisation Matrix will be reviewed and updated quarterly by the Customer Operations team, with input from the Finance department.
